

Healer in the House

SOLO: (Jolene)

Mmm, now it was told that the Holy Healer, He was passing by one day.

There was a man who was afflicted, but he had the faith to say:

“If I can ever get to Jesus my healing will be the proof.

If I can't get through the door, I'll tear off the roof, 'cause there's a Healer in the house today!

There's a Healer in the house today, and for you, He wants to make a way.

CHOIR: HEALER HEALER IN THE HOUSE, HEALER

So just ask and receive, by faith receive. There's a Healer in the house today.

CHOIR: HEALER HEALER IN THE HOUSE, HEALER

There's a Healer in the house today

and for you, He wants to make a way.

So just ask and believe, by faith receive.

There's a Healer in the house today.
